- ▶ Early Turn in Bonus Reminder:
 - ▶ We will have an early turn in bonus that will be up to 10% added to the score based on when its fully complete and submitted. Beginning April 12 and a 1% deduction of the bonus until the due date of Apr 22. This bonus applies when a FULLY WORKING assignment 5 is handed in. Example: If you turned it in by the end of the 12th it will get a 10% bonus, so $200 + 10\% = 220$.
 - ▶ Final exam exemption
 - ▶ To further incentivize early and proper completion of A5 there is an option to exempt yourself from the final exam.
 - ▶ A 200 minimum score on A5 is needed. If you obtain a perfection score you are automatically exempt from the exam - its as if it doesn't exist for you in your final grade.
